

Wassabi is where East meets West, bringing all of your favorite dishes inspired from abroad. From our favorite Shrimp Tini Appetizer to our many fabulous Entrée selections, there is certainly something to please the most demanding of foodies out there.

Pan Asian describes not just the dishes themselves, but rather all aspects of ingredients and preparation. Perhaps it's Asian dishes done with a western flair or a dish kissed with an Eastern twist. Wassabi brings the best of both worlds, preparing flavorful and healthy dishes, in which can only be described as Pan Asian.
